Introducing The Broadley, a striking new residential address perfectly positioned in the heart of Marylebone, one of central London's most established and characterful neighbourhoods.

This three bedroom, three bathroom duplex apartment is arranged across the 10th and 11th floors of a 13-storey building and offers approximately 1,460 square feet of thoughtfully designed internal space. The lower level features a bright open-plan reception and dining area with large windows allowing for excellent natural light, alongside a contemporary, fully integrated kitchen finished with high-quality appliances and modern cabinetry. This level also includes a bedroom, a main bathroom, and access to a private terrace, creating an ideal setting for both everyday living and entertaining. The upper level comprises two spacious bedrooms, each with its own en-suite bathroom, providing privacy and comfort while maintaining a well-balanced layout throughout the home.

Residents at The Broadley benefit from an exceptional range of private amenities, including a 24-hour concierge, private screening room, residents' lounge and co-working space, and a fully equipped gym powered by Peloton with a dedicated Peloton suite. The development also offers beautifully landscaped communal gardens and terraces, providing a peaceful retreat within the city. The building's distinctive red-brick façade and elegant arches draw inspiration from Marylebone's Georgian and Victorian architectural heritage, while the interiors reflect a refined balance of craftsmanship and contemporary design.

The development enjoys excellent connectivity, with Edgware Road Station, Marylebone Station, and Paddington Station all within walking distance, providing access to the Bakerloo, Circle, District and Hammersmith & City lines as well as National Rail services. From Paddington, the Elizabeth line offers fast connections across London and direct links to Heathrow Airport, ensuring convenient travel throughout the capital and beyond.
